Answer

ANSWER
THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
(SHRI SUDARSHAN BHAGAT)
(a) In order to improve productivity and enhance milk production, thereby making dairying more remunerative to the farmers, Government has initiated a comprehensive scheme, "National Mission on Bovine Productivity" in November 2016 with an allocation of Rs 825 crore (Rs 575.80 crore Central Share and Rs 249.20 crore State Share) over a period of three years from 2016-17 to 2018-19 . The scheme covers the following four components:
(a) Pashu Sanjivni
(b) Advanced Reproductive Technique
(c) E-Pashuhaat
(d) National Bovine Genomic Centre for Indigenous Breeds (NBGC-IB)
(b) Details of funds released during 2016-17 State-wise is given in Annexure I. During 2017-18 an allocation of Rs.60.00 crore has been made available under the scheme.

(c) In order to augment milk production and productivity in the country, Government of India is implementing the following schemes: a) National Programme for Bovine Breeding & Dairy Development (NPBBDD); b) Rashtriya Gokul Mission (part of NPBBDD); c) National Kamdhenu Breeding Centre; d) National Dairy Plan-I; e) Central Herd Registration Scheme; f) Central Cattle Breeding Farms; g) Central Frozen Semen Production & Training Institute; and (h) Dairy Entrepreneurship Development scheme.

(d) The details of distribution of milk production in the country, State wise is given in Annexure -II.
